

Ann Mayer died on February 5, 2022. She was a resident of Kendal at Ithaca at the time of her death. Ann had been a dedicated Mount Holyoke alumna, serving as Reunion Gift Caller and then Class Agent from 1989 – 2007, and was active in the Mount Holyoke Club of Genesee Valley, NY. She leaves a nephew, Alex Insley.

I hope you will look at the article about her in the section 'Publications By Classmates'. It tells about the e-book she wrote written about the animals of Nepal, and her association with the Nepal Orphan's Home.
