

Bonnie Barrett Stretch

I'm delighted to serve once more as class Secretary, as it gives me the wonderful privilege of recounting the joys and surprises that fill our reunions with powerful memories. Each time we gather, we bring new life experiences to share and learn from each other. For me, these reunions are not only great fun and full of joy, they deepen our recognition of what each of us has experienced and how our days at MHC continue to shape the years that have followed. Many changes have taken place in our lives in the last 5 years, and I am eager to learn about all my classmates and share my experiences as well. As the inimitable Bette Davis said, "Growing old ain't for sissies." But as we all know, "When the going gets tough, the tough get going." That's us!
