October, 2020

Dear MHC Class of 1961,

Those of us on your Reunion Committee are beginning to plan for our greatly anticipated 60th Reunion next May 28-29th. We are all looking forward to seeing as many of you as possible!

In this rapidly changing and uncertain time of the Covid virus, we and the College are trying to decide whether to plan a face-to-face reunion in South Hadley, a virtual reunion on-line, or perhaps a combination of the two. The College's final decision will not be made until early next year but right now they are saying that only alums will be able to attend the 2021 reunions if they are inperson. We cannot bring guests or spouses. Since we want to start our plans now, we need your help!

We are including a brief survey for you to take and send back to us. Or, if you like, you can take it as a Monkey Survey on-line. We would appreciate a quick response.

If we meet on-line, we can do pretty much the same things that we could do in South Hadley. We could have a class meeting, breakout groups with fewer people to discuss a book or anything we choose, entertainment by talented classmates, as well as the casual social interactions which we all love. We could spread it out

over 2 days or so, and you could choose to attend any or all of it.

We could also have a MHC Professor or two help us with our main discussion topic, which we have decided will be Facing Change. If you have been working on Climate Change, Political Change, Life Changes, Changes due to the Pandemic, or know someone who would be a great speaker, please let us know that also. If you are familiar with the faculty, who would you choose to talk about these?

We are hoping to get your survey back in a week's time. So please, fill it out, send it back, or go on Monkey Survey (don't vote twice!!) and help us plan for a terrific 1961 Reunion the end of May!

Thanks so much,

Barbara Freeman Douglass and Sallie Crittendon 60th Reunion Co-Chairs for the Class of 1961

CLASS OF 1961 REUNION SURVEY THOUGHTS AND SUGGESTIONS FOR OUR 60™ REUNION

| • | ng they, and y | you, consider it safe to return to South Hadley in May |
