

Liz Hottel Barrett Web Mistress

I love my Mount Holyoke friends and so does my husband Bryan. Being webmaster is a way for me to connect to classmates and keep abreast of what's going on with our wonderful class. I have been grateful for the opportunity to stretch a bit. Here are two ways you can help me: give me your suggestions for web design and send me information for web content – PLEASE!. I'm not very good at any of this, but I'm trying.

Aside from MHC, I am involved in volunteer life in Annapolis: church choir with Bryan, singing in a small chamber group, golf at least once a week, cooking, gardening, activism, ceramics, and serving on the board of All Children's Chorus of Annapolis which I founded in 2001. Our duplicate bridge club hasn't been able to get up and running since the pandemic. We're still hoping.
