For a Group Discussion: Facing Retirement or in Retirement

Sunday, May 23, 2021 from 1 – 2 pm ET

WHY: In retirement I've become a suburban homemaker – the thing I dreaded most when I was in my 20's – and I'm loving it.

WHAT: This session is a group discussion where we compare notes or give advice to those facing retirement. I, for one, worked all my adult life, be it for pay (or not when on maternity leave), and had some trepidation about facing the world each morning without firm plans for the day. Suddenly I'm living the life of a lady of leisure and enjoying it more than I thought I would – but I eased into it.

WHEN: Sunday, May 23, 2021 from 1 – 2 pm ET.

HOW: Register now for our entire virtual 50th Reunion, May 21-23, 2021 (registration is free):

All Class 1971 registrants will later receive communication, including a zoom invitation.
